**Juniors Elite Cup – Home of Future Stars**

**Juniors Elite Cup**

# A strong foundation

The Juniors Elite Cup has established itself as a great success since 2024 and reached an important milestone for youth football in Carinthia in 2025, with over 900 players participating.

Under the motto “Home of Future Stars,” the tournament will once again offer children and young people the opportunity in 2026 to showcase their skills and gain valuable experience. The tremendous response and the continuous development of the event encourage us in our goal of providing young footballers with a sustainable platform for their sporting future.

With this strong foundation, we look to the future with great confidence and are already looking forward to the Juniors Elite Cup 2026!
